Headteacher will not return to village school

NO DISCIPLINARY REASON FOR DECISION, SAYS UNION

HEADTEACHER Christine Hollidge will not return to All Saints Primary School, it has been announced.

The announcement was made last week and ends speculation that has been going on throughout the 17-month dispute.

A union representative has stressed there are no disciplinary or capability reasons why the long-serving headteacher will not return to the school.

The long-running dispute appeared to have been resolved last week when it was announced that Mrs Hollidge will not be employed by the school after April 30th.

But Steve Cleverly of The Association of Head Teachers (NAHT) said they are reviewing their options and indicated that further action may be taken.

Parents were given a letter from chairman of governors, Michelle Perryman, on Tuesday, April 23rd saying: "I am writing to you on behalf of the governors to confirm that, following an internal process at All Saints C of E Primary School, the headteacher, Mrs C Hollidge, will no longer be employed by the school after April 30th.

matter and I am unable to go into more detail. The governors recognise that this has been a difficult time for all parties involved.

"We trust that now this matter has finally been resolved, all the staff, pupils, and parents at the school will be able to work together in ensuring the best outcomes for every child in the school.

Rift in the community

"Martin O'Mahony will continue as acting headteacher whilst the governing body has the opportunity to consider the long-term leadership of All Saints C of E Primary School.

The school has been under temporary headship since November 11th in 2011.

Mrs Hollidge's absence from the school has been shrouded in mystery and created a rift in the commu-

The official line early on was that Mrs Hollidge was off sick, but it soon emerged there had been some sort of falling out between Mrs Hollidge and the then gov-

Education later announced Mrs Hollidge had been suspended on full pay when she returned from sick leave.

Shortly after she disappeared from the school, Mrs Hollidge's supporters started a concerned parents' group and hosted a number of public meetings.

They felt that the school, which is toprated by OFSTED. was going in a direc-

tion that would not be the choice of Mrs Hollidge.

The situation became so infected that it attracted the attention of national media, and police at one stage confirmed that one person involved in the dispute had voluntarily surrendered a firearm.

"We will look to communicate closely with the residents in a timely manner as we bring forward our detailed plans

for the new homes, which are currently being drawn up in line with the outline consent and should be submitted over the summer.

"We developed a constructive relationship with Axminster Carpets' senior management during negotiations and as part of our agreement we also plan to use Axminster carpets in our showhomes at the development and in any of the new homes where we agree to supply the carpeting."

The spokesperson stressed that it will be business as usual at the sports centre by saying: "The local community will retain use of the sports and social club and associated facilities and the plans will include affordable housing that will be made available to local people for rent or through shared ownership.

"As part of any planning consent we would also be committed to pumping

I NEVER cease to be amazed by the social conscious demonstrated on a daily basis by those who live and work in Pulman's Country.

It would be interesting to find out, but impossible to calculate, just how much is raised for worthy causes, both local and national, by the readers of this newspaper. It would surely run to hundreds of thousands of pounds every year.

I've often commented in this column about David Cameron's "Big Society" vision; well, the "Big Society" has been alive and kicking in East Devon for as long as I can remember.

Not a week passes by without a reference in this newspaper to individuals, or a group of local people, who attempt all sorts of crazy challenges to raise much needed cash for just about every charity you can think of or put themselves out of their comfort zone to help others. £12,000 boost for help scheme

AN OTTERY St Mary-based charity received a massive boost when awarded a £12,000 plus grant.

The money will be used to increase the charity's profile and boost the help available.

Ottery St Mary and District Help Scheme is based at Coleridge Medical Centre and helps people in the area in various ways.

Among other things, the help scheme provides transport to and from medical appointments, nail cutting services, bereavement support, a memory café for people with dementia and their carers, visiting and befriending and much more.

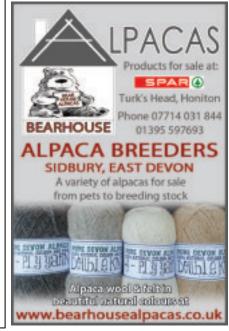

Ottery St Mary and District Help Scheme also runs a project called Spotlight on Ottery Help.

Help scheme chief officer Jane Davies said: "Spotlight on Ottery Help is a short-term 12month project aimed at creating awareness.

"We plan to promote the help scheme across the parishes and increase awareness to those who may need support; to those who wish to give some time to volunteering and to those who would like to donate.

'We want to reach out to everyone one and 'give a little help when its needed most'.

'The reason we have not been able to reach out to more people is that we do not have the capacity to do so. The Spotlight project will support us to make this happen.'

Mayor has blood pressure checked

MORE than 120 people took the opportunity to have their blood pressure checked when The Rotary Club of Axminster and The Stroke Association opened up a test clinic in Minster Church.

The aim was to identify potential problems and "several" people were recommended to make an appointment with their GP.

Another aim was to raise awareness in general about high blood pressure and the associated risks.

Apart from preventative measures, advice on what to do if someone suffered a suspected stroke was also available.

The annual event took place on Thursday, April 18th, and Rotarians were very pleased with the turnout.

Among those to have a free check were Axminster Mayor Andrew Moulding and town crier Nick Goodwin.

It was the first time the annual event was held on market day, a move that certainly seemed to have paid off.

Rotarian Martin King praised St

Students to celebrate AONB milestone

AXE Valley Community College students will be entering competitions to martk the 50th anniversary of East devon's Areas of Outstranding Natural Neauty.

The Axminster college was recently visited by East Devon Area AONB ambassador Kathryn Aalto, who ran a workshop and formally launched two competitions to mark the AONB's 50th birthday.

She hails from California and is a landscape designer, historian, teacher and writer.

In addition, Kathryn treasures the beauty of Devon and told staff and students: "When I moved to Devon years ago, I remember feeling terribly homesick for California.

"But once I started exploring the countryside, it was hard not to fall in love. I've been in love with the Devon landscape ever since.

In the workshops, Kathryn used a variety of photographs to demonstrate how lighting and perspective can influence the mood of a photograph.

She also showed the students how artists use a variety of techniques and mediums to portray landscapes for different effects and how writers use language to convey

impressions of what they see.

She explained: "I devoted a section of the talk to how special the AONB is.

"I compared and contrasted what it feels like to live in America versus England. "While America is large and diverse space, we do not have access to the landscape like these students do here in England.

"Access is something they said they take for granted. We have to drive to our national and state parks which are like islands and disconnected from everything. "A big part of what I conveyed was how very special it is indeed to live in England, to have this AONB near them. "I shared excerpts from some of the best American na-

ture writing, and they tried their hands at it as well."

The workshop inspired the students to look closely at their surrounding landscape within East Devon's AONB, and to appreciate its beauty and uniqueness.

Rebecca Levi, the college's ASPIRE programme co-ordinator, said: "The students were really engaged by the workshops and are now enthused both to put pen to paper and to take photographs to capture the unique

beauty of the East Devon landscape.' There are two competitions, one being a writing competition open to anyone who lives in, goes to school in or knows the East Devon area well.

The photographic competition is open to all amateur

photographers and there are two age categories - 16 years and under, and 17 years and older.

For full details of the competitions, visit www.eastdevonaonb.org.uk

IT WILL be business as usual at Axminster Museum for at least another year.

Those attending the museum annual meeting were reminded that this month should have seen the opening of Axminster Heritage's Thomas Whitty House visitor centre, of which the museum would have been a part

But museum chairman Laurence Hitchcock told the AGM: "Unfortunately it didn't turn out like that."

The former Axminster Carpets company was heavily involved in the funding of the heritage centre, but the recent administration and formation of a new carpets company mean the money is no longer available

This, in turn, means that some match funding has been lost - so the new plan is to apply for "a substantial amount" from the Heritage Lottery Fund.

Although a setback, Mr Hitchcock remained upbeat and said: "There are positive signs on the horizon."

Financial surplus

On a separate issue, he thanked stewards and everybody else who had helped during the past year.

Treasurer Chris Painton was also upbeat, and said: "The main headline is that there is a surplus of £343.99 for year ending December 31st 2012." That compares well to the previous year's deficit of

£305.77, and Mr Painton added: "The main reason is the Rotary lottery and Di Church's fantastic effort in selling lottery tickets to anyone and anything that moved."

He explained that the Rotary lottery had generated £850.50 last year, compared to £165.60 the previous

The AGM on April 23rd concluded with a talk on old Lyme Regis, by local hostorian Les Berry.

The museum will open for the new season on May 7th.

■ CLERK OF THE RIVER: A measurement is reported and carefully recorded

The railway workers who spend their life in the river!

AN Axminster resident thought black sea lions were playing in the water beneath the railway bridge at Weycroft.

Allan Howlings was out enjoying a leisurely walk when he made an unexpected and strange

On closer examination, however, it emerged that two human beings were in the water. Mr Howlings explained: "From a distance it

looked like a couple of black sea lions playing by the railway bridge.
"When I got up to the bridge I saw a very

strange sight of one man with a very long meas-

uring stick swimming along by the bridge and checking the depth.

'The other man was very casually treading water, taking photographs and writing information on a clippboard.'

Mr Howlings stopped to have a chat with the men, and subsequently told Pulman's View: 'You could say that this is just another day at the office for these two chaps who actually work for the railway.

"They may not be interested in the floods that we keep on having, but they are very possessive about their railway bridge."

Traders sounded out on dual-ticket parking scheme

TOWN centre businesses are to be sounded out about a proposed dual ticketing parking scheme.

Axminster Chamber of Commerce is keen to make the town an attractive destination for shoppers.

One idea to come off the drawing board is the dual ticketing proposal.

The idea was discussed

when chamber members met early in April and a draft letter to businesses was circulated.

In the letter, vice-chairman Duncan Colvin outlined the idea by stating: The scheme will ensure that ticket machines in one car park print two tickets and that a series of notices ticket will direct visitors to shops displaying a small window sticker indicating that they offer a refund on all or part of the ticket price, either by way of value offer or straight cash back

The chamber will foot the bill for the £500 needed to adjust ticket machines and provide the signage for a one-year trial. If it is decided to go ahead with the scheme, it

will apply to either West Street Car Park or the one to be opened on the former Webster site.

A decision on which car park is still to be made but the offer is open to all businesses regardless of the letter: "Before the chamber commits to this, it is essential to understand how many traders will embrace the scheme.'

Businesses have until June 1st to reply.

Anyone with questions about the proposed scheme can e-mail scheme d.colvin@btconnect.com

She told the gathering that whilst the primary focus is on the child, the family will continue to be supported even after their child has died, and that the hospice offers support to everyone who needs it.

Mrs Hullett said: "I would like to thank the brothers of Ye Rattenbury Lodge for their overwhelming support and the huge amount of money handed over today.

Pulman's View nurches

FATHER Michael Koppel writes from Axminster: We waited with bated breath on the evening of Wednesday, March 13th, after white smoke had been seen pouring from a certain chimney in the Vatican.

And then, at long last, the senior cardinal deacon appeared on the balcony of St Peter's to make the announcement everybody was waiting for.

A speedy conclusion to the conclave had suggested to some that the new Pope would be one of those generally regarded as 'front-runners'. But, as so often, the Holy Spirit had other plans!

The first decision of a newly-elected Pope is also one of the most momentous. He's asked what name he wants to take. This Pope's choice of 'Francis' speaks volumes, and makes you wonder why no Pope has taken it before.

It reminds us of one of the best-known and best-loved of all the saints, Francis of Assissi, renowned for choosing a life of poverty and humility.

But it also recalls the great Jesuit missionary of the 16th century, Francis Xavier.

Both may be seen as patrons of Pope Francis' ministry. The first weeks of that ministry have shown us a Pope who is likely to do things differently. But that's only the beginning. We know great challenges lie ahead.

Our hope and prayer must be that Pope Francis will be granted the strength for the task to which God has called him.

A journey through **Holyford Woods**

COLYTON: Members and friends of Axe Valley Heritage Association enjoyed an illustrated talk by local farmer and historian Colin Pady, who explained how Holyford Woods was saved by the community for everyone

East Devon District Council (EDDC) owns the woods and has leased it back on a 125-year lease.

Colin mentioned the Bluebell Walk on Saturday, May 4th when the bluebells should be at their best (transfer from Colyford Hall to the woods available throughout the day).

Holyford is an ancient woodland going back to medieval times with a public footpath running through the 70acre woodland.

Holyford Woods are managed by a team of volunteers with expert help from EDDC and Axe Vale Conservation Society, who meet regularly to coppice the trees, clear the undergrowth, make pathways and fence off areas to stop farm animals coming in.

Doormice, woodpeckers and a host of animals, butterflies and wildlife abound in the woods.

Fallen trees are left to rot at the side of the pathways to encourage insects to thrive.

For several years the Water Board had

reservoirs in the woods and there is still a stream with drinkable water flowing through woods.

Members enjoyed the beautiful pictures of the woods throughout the cycle of a year.

Holyford Woods may be accessed from the A3052 (opposite Tower Services) or via Whitwell Lane/ Holyford Lane, Colyford. Sensible footwear advisable. It is a hidden gem in the Devon

The next meeting of the Friends of Axe Valley Trust is on May 8th when Alan Jones (a retired school teacher from Colyton) will tell us the history of Captain Henry Wilson, who was shipwrecked in the Pelew Islands.

This will be at 7.30pm in United Reformed Church, Seaton, and everyone is welcome.

More details are available from Hilary Mabon on 01297 215 72.

As the museum will open shortly, no more talks are scheduled until September 11th when John Smith is coming to talk about the Roman Army in Devon. Anyone under 18 may come along free of charge.

John will bring a Roman uniform and would be delighted to meet anyone with an interest in Roman history.

HONITON: Hontion WI have had to change the date of their next meeting due to unforseen circumstances. Their next meeting, therefore, will be on May 13th from 2pm to 7pm at the Methodist Chapel.

Artists enjoy dramatic demonstration

his knowledge and love of the sea, marine artist Roy Lang gave Axminster Art Society an amazing demonstration in oil paint-

He produced two paintings of very different moods zinging with colour. One was of a rough sea breaking with foam bursts over rocks and the other of a gentler sea lapping on the wet

Roy, to produce his dramatic scenes, paints rapidly using a wet-in-wet technique and a colour palette limited to eight basic colours one being Titanium White.

Working from the top of

plied the undiluted paint on Hog Filbert brushes, sizes 6 and 4, with a rapid criss-cross action.

Areas were blended over with a soft large Mop brush where needed.

The action of the waves were sculpted in two dimensions following the curve of the wave with the filbert brush down from the green backlit crest to the deeper shadows.

Breaking crests, and foam being drawn back into and up the waves were painted with a Rigger or Liner.

These brushes followed the direction of the water and were often rolled to give wave action effects.

applied with a rough decorator's brush. When painting the scene of the sea lapping on a wet beach, to give a more dramatic sky Roy quickly applied paint with a palette knife.

He also blended the colours as necessary with the Mop brush to achieve the effects he wanted.

The palette knife was used to apply yellow paint depicting light catching the rocks and dark colours were scrapped on the rocks to produce textures and fissures.

The colours in the wet sand reflected those in the dramatic sky but were rendered softer with blending. Strings of foam lapped forward and were drawn back over the sand using the Rigger or Liner brushes

The enthusiastic applause given Roy showed how much members ap-

tion and they are looking forward to his workshop on Saturday, June 1st. Details of this and future demonstrations, workshops and other activities can be seen online.

Judith dazzles with floral displays

SID VALE: Mrs Judith Taylor gave a demonstration to Sidmouth Flower Arrangement Club entitled "Earth Treasures"

Judith comes from East Cornwall and is a qualified Judge in addition to demonstrating. She spent a little time giving members helpful tips on the entries in the members competition, which members found very useful.

Judith did five pieces depicting different aspects of the natural world.

For the "Seaside" she used bleached sticks and muted colours with a little gypsophelia to suggest sea foam, which was very effective.

Her style is naturalistic, allowing plenty of space into a design so that the flowers are the real stars of the show and the overall impression is of lightness.

The "Spring Garden" arrangement illustrated this well with groups of plant material in a line at differing heights and densities giving a lovely interpretation of a garden border.

"Rocks and Minerals" was a complete contrast as she used exotic leaves and flowers to give a bronze, red and orange overall look complemented by the beautiful copper container. Whilst working, Judith entertained members with stories of a visit she made to the West Indies to train other aspiring judges and some of the characters she had met through her work, which was fascinating.

May 3rd is National Flower Arranging Day and members will be taking part again this year with arrangements in Potbury's and Bliny's windows.

Edited highlights for probus club

SEATON: The meeting of Seaton Men's Probus Club on April 17th was the last formal session before the summer break. and members were treated to a very amusing talk by Colin Dean, entitled "Edited Highlights".

Mr Dean spent 12 years editing a magazine on family history, and also edits his parish magazine, and these provided the background for his talk, which offered many examples of the traps that lie in wait for the inattentive editor. A missed letter or added letter, or a wrong letter, can completely change the sense of a sentence, often with hilarious - or embarrassing -

Examples included swindling instead of dwindling, effluent instead of affluent, medication in place of meditation. The failure of some schools in recent years to give children a good grounding in grammar and punctuation leads to mistakes being made unwittingly. But some mistakes are made deliberately, especially in advertisements, in order to attract attention, and this can be a quite effective mar-

Seaton and District Men's Probus club is open to retired or semi-retired men. Informal meetings will take place fortnightly over the summer, with formal meetings resuming in October.

Impressed by new pool

Re: Pulman's View from Seaton article, April 16th — 'Celebrations as pool is unveiled'

lattended the official opening of the school swimming pool and was impressed.

It will not be of use to my group,

The Bellini Bathers, for various reasons, as we are mostly mature ladies who might have difficulty walking to the entrance and don't like communal changing,

But some may go to the aquafit

on Saturdays and it will certainly be good for when our grandchildren come to stay.

Imust add thanks to those who put on the refreshments, the cakes were gorgeous.

Celebrate the good and great of Seaton

Weil der Stadt in South West Germany, and enjoyed the friendship and generosity of so many people who are now good friends, I was once again uplifted and inspired by the community spirit of the wonderful people of Seaton.

Seaton Town Council hosted its Annual Town Meeting and I am so proud of the many town groups that attended the meeting and then took the time and energy to speak in front of a packed town hall. The atmosphere was amazing and to my delight as I looked around at people that I have known for many years.

I saw Laura had come along, a much accomplished young Reporter from your paper. Laura is so courageous and hard-working, attending the monthly town council meetings and listening to the debates and discussions of us councillors and reporting the news in such a fair and honest and professional way. I want to give thanks for all the news of Seaton that reminds us of the great activities and projects being achieved for this outstanding town.

Many thanks to all the people that came along and reminded us, of the great and positive things about

HAVING just returned from the beautiful town of Seaton. With all the weekly, monthly and annual events going in Seaton, there is certainly much available to everyone, whatever your age, your interest,

and your ability. Venues used and recommended for use to others included the wonderful town hall, and the many churches. Thank you to all the managers of these venues

So let us celebrate all that is great and good about the people of Seaton.

Care and support the community groups. Join a group, actively support the group, go to events, enjoy as much as you can in Seaton.

I would also like to thank the many business owners who came to the meeting.

Please care and support the businesses in Seaton. Walk around Seaton and you will be pleasantly surprised at the choice on your doorstep.

Each of us can share the responsibility of caring and supporting Seaton.

Let's make this year of 2013 the very best for

Cllr Sharon Bruce

Is Seaton disappearing?

NOW that the East Devon asset strippers have finished with Seaton (hopefully), it appears that we have become invisible.

The BBC Countryfile programme on the recent visit to film the splendid work done by our wonderful volunteers at Seaton Marshes were unable to see Seaton. No doubt they were advised by East Devon, but unfortunately they could only see Axmouth, Beer and of course Lyme Regis, but Seaton must have got lost on the mist.

Perhaps it was that ugly carbuncle in the front of

one of the finest views in Devon that prevented it. But perhaps not, since on a return visit to film the Undercliff they declared this unique gen on the Jurassic Coast near Lyme Regis. This is true of course, but it is nearer Seaton.

Maybe they know something of which we Seatonians are unaware.

Is Seaton going to disappear from the map of England?

Seaton in Bloom needs you!

■ WE have reached that time of the year when I ask for your support and generosity in sponsoring a floral display to make the town look beautiful this summer.

The whole of the cost of this falls on the town with leadership and funds from the town council supported by donations and sponsorship from others in our community.

A successful submission in the Britain in Bloom Competition will need to show involvement and support from all sections of the community. This should be in terms of a financial contribution or physical help in planting and maintaining the dis-

We are pleased to say that we won a silver gilt award in the 2012 competition and this was only achieved by your help and support.

Last year 5,000 plants were planted, watered and maintained by just three people and much praise is to be given to Mr & Mrs Widger (Scalwell Lane Nursery) and Craig Nation (Seaton Town Council's Handyman).

The displays looked fantastic and we had much praise from residents and holidaymakers.

The Seaton in Bloom Committee have already enlisted help from the community and organisations.

However, we need the whole town to pull together to make this year a turning point for Seaton.

In these troubled times we do need to pull together as a unit to show that Seaton can lead the way.

We do hope you will support our entry into

Britain in Bloom 2013 and thank you for taking your part in making Seaton look extra special in 2013.

If they would like to sponsor а floral arrangement in the town, please contact Marie Prideaux on 01297 21388 or pop in to the town council office based at Seaton Town Hall on Tuesday, Wednesday or Thurs-

Hawkchurch pupils jump and skip for heart charity

at Hawkchurch Primary School when staff and pupils skipped to the beat for a healthier heart.

Joining in the British Heart Foundation "Jump Off" campaign, the playground was filled with children who had been practicing hard for the awareness event.

Children arrived to the event wearing red clothes and costumes, as well as red face paints, before they took themselves outside for several hours of skipping, hopping and hula hooping.

Pupils and staff had been practicing their skipping skills over the past few weeks for the national event, working niques such as the "egg beater" and "double under"; learning the importance of exercise and keeping their hearts

Clare Cleverly, event organiser at Hawkchurch Primary School, said: "Preparing for the jump off has given our pupils a reason to get active, not to mention having fun.

"The 'Jump Rope for Heart Scheme' helps us encourage healthy habits, whilst creating a more active ethos in school.

"It's been a fantastic event for school, teachers, and pupils.

Pre-school open day

A FLEDGLING pre-school group has issued an open invitation to families wishing to have a closer look to find out more about the place.

Farway Primary School set up Farway Fledglings Early Years Group following the closure of a preschool for the under fives in the village.

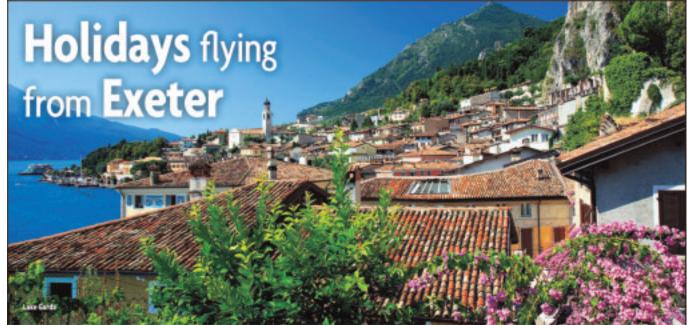

The project has had a successful start but leaders are keen to spread the message and attract more children to remain open.

One of the leaders, Karin Forsyth, said the group offers children "an excellent range of stimulating activities to promote individual development".

She added: "Please come along and visit us. We are desparate for children in order that the group does not fold like the pre-school did.

We would love to meet you and introduce your family to our outstanding setting."

Anyone interested in visiting can call Angela Potter or Karin Forsyth on 01404 871239 for more information.

Seaton - bucking the national trend and a great place to do business

If you haven't been to Seaton for a while you might be surprised to know that lots of new, independent businesses have opened up in the last 18 months. Unlike many high streets, Seaton now has few empty shops.

Seaton & District Chamber of Commerce wants to celebrate what is best about doing business in Seaton and to also congratulate these new businesses. Some businesses have moved to Seaton, some have been taken over and some have started up from scratch.

We all know that it is still hard to try and make a living in the present difficult economic climate and we hope that things are getting better. So let's support our friendly local businesses - both established and new.

Healthy You

ANXIETY stress fear phobia, all stop you from being the best you can be.

A positive body image is one that we should all strive for. When you know yourself and who you are and are ok with yourself then everything is worth while. Hypnosis can help you believe in yourself and like yourself while still striving for something better, the best possible you, you can become. When you have a positive body image, no time is spent obsessing about food, weight, calories, or exercise.

Take a look at the people closest to you. Are they positive or negative people? Chances are if they are negative this attitude will reflect on you and your attitude. Try to limit your time with negativity, as this will only make you feel bad about yourself.

Hypnosis can help you to start feeling good about yourself and learn to accept yourself. Little by little you will notice changes that have occurred. Learn to be on your own side instead of always being against yourself. Put your shoulders back, hold your head up and quit thinking about what you're not. Love the person you are and the person that you are becoming.

Hypnosis isn't what many think, it isn't sleep, and no one can control vou, it is just a way to assist you to make changes possible using suggestions that are acceptable to both your conscious and unconscious mind.

Acupuncture can improve and maintain health, energy

& enhance a sense of well-being

ACCORDING to traditional Chinese philosophy, our health is dependent on the body's motivating en-ergy (qi) moving in a smooth and balanced way through a series

Acupuncture can affect the quality of qi, your body's vital energy, by the insertion of very fine needles into specific points along these channels. This stimulates the body's healing response and restores natural balance. Treatment is aimed at the root cause of your condition as well as your main symptoms. This approach helps with resolving your problem and enhancing your feeling of well-being. You may notice other niggling problems resolve as your main health complaint improves.

The type of conditions that I mostly see in my clinics include the following: arthritis, back pain and sciatica, circulation, low energy levels, hormonal/menopausal symptoms, pregnancy management, fertility problems, weight management, and addictions such as smoking. However, you don't have to be ill in the conventional sense to benefit from acupuncture, sometimes people come to see me because they are feeling low, unwell in themselves, or maybe not sleeping as well as they would like to.

Professional Acupuncturists spend at least 3 years training at degree level to become an Acupuncturist. We are then entitled to join the British Acupuncture Council and to use the letters Lic.Ac., B.Ac.C after our names. We also have public liability and professional indemnity insurance. French Food for Food lovers and gourmets

LE Marche de France has been invited to come and visit Devon once again, and bring a great range of high quality and fresh produce from all regions of France for one day for everyone to enjoy.

As always there will be a wonderful selection of Genuine French produce: there will be a magnificent cheese stall with a truly enormous selection of French cheeses. Bread will be baked onsite, in front of visitors, on the new bread and patisserie stall, and the smell of bread, croissants and patisseries should hopefully spread in the whole town centre. The Charcuterie will also be in attendance with wonderful sausages, olives, Turkish delights, smoked ham and terrines,

CHAGFORD 2 SIDMOUTH TOWN RES 0 Division Four

SIDMOUTH returned from their base ment battle at Chagford beaten 2-0 in a game they should really have won.

With both teams fighting against relegation it was always going to be tight, and it was the Vikings that looked the best bet to score.

But it was Chagford who went ahead from a very good finish on the half-hour and despite creating plenty of chances it stayed 1-0 at the break.

A little change in formation saw Sidmouth totally dominating the play and their hosts were reduced to long hopeful punts out from defence.

But try as they might the ball wouldn't find it's target and in a rare break the hosts scored the killer second with two minutes remaining.

A dejected Vikings manager Nick Ogden said: "Everyone is quite down at the moment, but we have to buck up quick and work hard to get the points we need.

"Some of our finishing was horrific and we really should be doing better. I thought we created enough chances to have won three games!

But if you can't score you won't win.
"We now have four home games to come and we need to pick up at least three wins". Kieran Small was Sidmouth MoM.

ROUND-UP

FENITON are clearing a space in their trophy cabinet after they repeated last weeks 3-1 victory against MOR-CHARD BISHOP to edge within touching distance of the Premier title.

The village side are eight points clear and beaming with confidence as they swept to their 20th league victory with Dave O'Connor and twogoal Mark Simic finding the net. Ryan Piper replied for Morchard

T MARTINS and HATHERLEIGH TOWN, the only teams who can catch Feniton, battled out a 0-0 draw at Minster Park, and will meet again next weekend probably to decide who will be runners up.
Saints overall had the better

chances and had a goal disallowed for offside but Hatherleigh keeper Ryan Walter was in great form.

Kenny Smith stole the show for

HEAVITREE SOCIAL UNITED with five goals in their 7-2 win against BUDLEIGH SALTERTON. Callum Hoare had the other two. Brett Glovn and Richard Higham replied for the Robins who now have to apply for reelection to Premier.

NEWTOWN crushed TOPSHAM TOWN 4-0 with substitute Corey O' Donoghue getting four goals. Fergal O'Rourke and Steve Kerswell also scored. Newtown beat SEATON TOWN 3-1 in the semi final of the East Devon Senior cup at Newton St Cyres. Glenn Gould scored the Seaton con-

Seaton won 5-3, with Josh French scoring twice, at the UNIVERSITY on

Saturday.
CHARD TOWN stepped up their hopes of the Division One championship when they powered to a 6-0 win against WITHERIDGE, but they face stiff opposition from BOW AAC 4-0 winners against TIPTON ST JOHN. Gavin Coles 2, Will Hawkin and an own goal did the job for the Bowmen.

TIVERTON TOWN are into the top three after their 2-0 victory at COLY-

TON whose days look numbered.
Division Two champions ELMORE suffered a rare 6-3 defeat at COLA-TON RALEIGH who still have an outside chance of promotion.
BICKLEIGH won the top game 2-1

at DAWLISH UNITED and take over second place from the Sandy Gate

HEAVITREE SOCIAL UNITEDS third team are the Division Four champions. The Heavies were away celebrating a stag weekend but their crown was assured after their nearest rivals CHULMLEIGH crashed 3-0 at AX-MOUTH UNITED. Charlie Clarke 2 and Asa Sandman were the Axmouth

WOODBURY are also promoted after they won 4-1 at SEATON TOWN,

Craig Leaman scoring twice.

AMORY PARK RANGERS and FENI-TON are still not quite promoted from Division Six despite winning their respective matches, and FLUXTON won the big game in Division Seven 3-1 at leaders HALWII I

MATT Williams couldn't save Farway United from relegation from the Perry Street Premier League

after a 5-1 drubbing at Crewkerne Town last Tuesday. Two games a Harry's Field

saw Millwey Rise bagg three points in the last week.

Levi Hoole followed up his midweek hat-trick in the 6-4 win against Combe Reserves with the only goal in a 3-1 defeat at the hands of Perry Street on Saturday.

Millwey Reserves were also beaten at the weekend. Jess Langdon scored the only goal in a 3-1 home defeat by Winsham Reserves.
Adam Lawson was another

hat-trick hero. Lawson scored all the goals in Farway Reserves 3-3 draw with Kings-bury at Eastlee Park on Saturday.

Hawkchurch had a mixed week. Tom Chubb scored twice and Gavin Herrod and Ollie Bailhaiche singles in a 4win at relegated Misterton Reserves on Wednesday

But Jack Larcombe's 10th goal of the season couldn't prevent a 2-1 home defeat by promotion contenders Drimpton on Saturday.

First win for Vikings

Crediton United 1 Sidmouth Town 2 (Friday, April 25th)

SIDMOUTH Town returned victorious from their basement battle bringing home three points for the first time this season.

With pride at stake a "nine pointer" was keenly

fought out on a grassy but bobbly Crediton pitch. The hosts, with their side packed with Western League players as Veale, 'Kirton's' manager suggested, were far superior as up to 12 regular starters sat and watched from the stands!

The Vikings had the clearer earlier chances espe cially Nick Gingell who froze like the proverbial "rabbit in the headlights" when twice put through with only the 'keeper to beat.

Just as it seemed the sides would finish the half

all square a Darren Thomas, Sam Baker and Matt Rasmussen linked well to set-up Andy Isaacs who expertly dispatched the ball into the far corner. Crediton came at the visitors in the second-half

before the hosts equalised from a well executed free kick from 25 yards. But on 70 minutes Alex Raistrick gave the keeper

no chance from 25-yards with a rasping effort that went in via the post. Cue wild celebrations from the players, manage-

ment and a noisy support from the Vikings supporters who must have doubled the gate. Crediton hit the post late-on but Sidmouth had

done enough to clinch the morale-boosting win. Sidmouth manager Paddy Thomas said: "I am so relieved, pleased and proud for everyone, we have

played a lot better and lost! Personally I want to thank all the committee, players, members and staff at the club for their total backing in what has been a truly frustrating

Alphington 1 Sidmouth Town 0 (Tuesday, April 23rd)

SIDMOUTH Town lost the latest in a long run of away games on what manager Paddy Thomas described as "Possibly the worst prepared pitch in this league - side could reasonably be expected to play football on a pitch that wouldn't look out of place in junior African leagues."

In a scrappy match chances were at a premium and, after Andy Isaacs had gone close in the firsthalf. Town ' create much until the hour mark when Sam Banks was adjudged to have impeded the Alphas 'keeper with skipper Mike Stamp ready to tap into an empty net. Alphington for their part created a couple of

chances that 'keeper Artur Halka did well to keep out, one of them a 40-yard volley. As has been the story for much of this season, bad luck, bad judgement, silly mistakes have all

cost the Vikings points. On this occasion the official deemed the Alphas' challenge on Halka to be legitimate and the only goal of the game was allowed to stand.

Afterwards Thomas said: "The effort and comittment was there last night for all to see. With their goal, usually a foul is given, not always, but if the ref had given a free-kick then I don't think the hosts would of complained too loudly."

Vine triple boost

Axminster Town 4 Alphington 1 (Thursday, April 25th)

A BEN Vine hat-trick fired Axminster Town to an impressive 4-1 win over fellow midtablers Alphington at Sector Lane last Thursday evening.

Top-scorer Martyn Hancock, with his ninth of the season, scored the Tigers' other goal which brings the curtain down on a frustrating 10-game winless run.

'East Devon Way' blitzed!

AYE VALLEY DUNNEDS

with Dave Mutter

THERE was an air of expectant anticipation at Beer Club last Saturday evening as representatives from over 60 various organisations waited to collect donations from AVR for their help during this year's Grizzly.

After club chairman and race director Garry Perratt gave the introductory speech it was over to Marshal Maestro Rick Wood to hand out donations to water station helpers and marshalling groups.

Then Mark Hilder presented donations to those who helped around the Seaton area during the event.

Each representative gave a short explanation on how the money would be spent, with most helping the local community in some way.

Altogether this year £30,000 was handed out, with the Flamingo Pool at Axminster receiving a special donation of £5.000.

This now means that a total of £273,000 charity donations have been generated by the Grizzly in its 26 years of existence.

After the donations were handed out, a somewhat reluctant Garry Perratt was thrown into the spotlight with a special presentation to thank both him and his wife Marie for his seven years as race director.

During this era the complexity and regulations for putting on events have increased enormously.

He will remain as the club chairman, but has now handed the Grizzly reins into the very capable hands of DaveThomas and the Grizzly Committee.

We wish them all well and look forward to next year's event with great excitement.

◆ On Saturday, Alex Todd and Matt Clist ran the **East Devon Way**, a hilly 40-mile inland route from Exmouth to Lyme Regis.

Garry Perratt started with them but was struggling by half way and bailed out at Colyton after 30 miles.

Alex and Matt then picked up the to reach the end of the Cobb 6 hours and 38 minutes taking more than half an hour off Tom Bland's record.

HONITON RUNNING CLUB

with Judy Davey

ON Sunday, 21st April, three Honiton Running Club members joined the 35,000 others to stand on the start line at the **London Marathon**.

Hadleigh Davies who was running for CLIC Sargent was delighted to finish in 3 hours 28 minutes.

Judy Davey was less than two minutes behind and was just 14 seconds outside 3:30 having had the 3:30 pace maker overtake her on The Mall within spitting distance of the finish.

Nevertheless, she was delighted with her performance coming 25th overall in her age category.

Juliet Hall joined the beginners group at the club last year and, running for The Donkey Sanctuary, she ran all the way and finished in 4:52 – a great result. She's now inspired to run Amsterdam Marathon and try to beat her time.

Last Saturday, three Honiton runners headed off to do the **Haldon Heartbeat**. The eoght-mile race starts and finishes at Exeter Racecourse

The first two miles is a loop on top of the hill close to the racecourse followed by a long descent on forest roads and paths into woods.

After a steep muddy climb that most have to walk, the route heads back towards the racecourse with several more climbs before regaining the top of the hill.

First in for Honiton was lan Stewart with a very good 17th place in 56:57; next home was Rod Inglis 60th in 1:03:24 and finally John Burgess, 105th in 1:10:12.

John was particularly pleased as he came third in his category having over-taken the 4th placed runner a few yards from the line.

The race was won by Lee Turner of Torbay AC in a time of 49:15. There were 193 finishers.

On Sunday four Honiton runners ran the **Plymouth Half Marathon** which starts at 9am. Over 3000 runners on Plymouth Hoe observed a 30-second silence at the start of the race to remember those killed and injured in Boston.

The race was won by Tadele Geremew from London in 1:09.

For the Honiton Roger Saunders finished as 452nd runner in a time of 1:41:16.

Mark Dallyn came in two seconds immediately behind him to smash his previous PB at 1:51:51 with 1:41:18.

Steve Briggs also finished 664th in 1:45:20. Graham Reeves also started the race but was seen hobbling off at Saltram obviously with some kind of injury.

Howard Bidmead travelled to Arlington Court in North Devon for a race advertised as one of Devon's most beautiful and tough off road 10k's.

Howard ran well for the first part of the race but suffered when an injury sustained on the Grizzly forced him to slow down considerably for the last 5k.

Despite this he still finished in 49mins and took the award for the first male vet O55.

Colts reach Devon Cup Final for third time in history

Devon Colts Cup Semi-Final Sidmouth Colts 24 Ivybridge Colts 8

SIDMOUTH COLTS produced an outstanding performance to defeat lyybridge and win a place in the final of the Devon Colts Cup for just the third time in the history of the competition.

In perfect conditions, a large crowd were treated to a game of high quality between two very skillful and committed teams.

On the day Sidmouth won the tactical battle,

On the day Sidmouth won the tactical battle, but still needed to produce a titanic defensive effort to repel the visitors second-half onslaught.

lvybridge started the match strongly and deservedly took the lead with a penalty after five minutes.

Sidmouth immediately showed their attacking intent, and potential, when they ran back a clearance kick following the restart kick.

Charlie Cotton's run up the left wing was halted only metres short of the line. However, he had put his side in an attacking position, which was rewarded by an equalising penalty kicked by Jay Wright.

A few minutes later Wright kicked his side into the lead with a second penalty after an Ollie Blyth break had put pressure on the defence.

A slick-handling move produced the first try of the game as a scrum enabled James Dyer to join the line at pace and time his pass perfectly to send Charlie Cotton in at the corner.

Ivybridge responded almost immediately

when their hooker forced his way over at the end of some trademark forward driving.

In the closing minutes of the half lyybridge paid dearly for trying to kick for position out of defence, rather than finding the safety of touch.

Twice the ball was run back to produce decisive tries when James Bramley finished off a superb piece of inter-passing down the left wing before Charlie Cotton touched down his second try after James Dyer had made the running. Both tries were unconverted leaving the half-

time score at 21-8.

Jay Wright increased the lead with a penalty two minutes after the restart. But that was the signal for lvybridge to up their game and keep Sidmouth pinned inside their own half for

much of the remainder of the game.
The lyybridge pack hammered away at the Sidmouth line but met a rock-solid defence. Christian Goddard tackled like a fourth backrow forward to compliment the excellent work of skipper Bramley, Gavin Pearson and Sam

When Bramley and Carlisle were forced off by injury, there was no let-up in the defensive effort. Tom Reed took a vital five-metre scrum against the head before props Dan Rugg and Haydon Down brought off try-saving tackles in quick succession.

The front row union will be glowing with pride.

The Sidmouth kickers did not make the same mistakes as their opponents by finding touch with their clearance kicks and, when they won

two lineouts against the throw, they were at last able to ease the pressure and play out the final minutes for a well-deserved place in the final.

Cup Final

ON Sunday, Sidmouth Colts with travel to Okehampton to face Okehampton in the final of the Devon Colts Cup.

Honiton End Disapointing Season

HONITON ended their season on Saturday with a disappointing performance as they lost 40-10 to mid-table Kingsbridge. The already-relegated first XI finish the season with 20 points to their name, at the very foot of the table, with a record of three wins, zero draws and 23 losses.

Youth Rugby - Under 16s Exmouth 31 Honiton 37

HONITON'S Under 16's travelled to Exmouth for their last official game of the season and on a cold dry and blustery day Honiton signed of in style with a narrow but entertaining win.

Contests between the two sides have always been close and this was no exception as both sides threw the ball around in a high scoring encounter.

The Lacemen crossed the white wash first when Johny House managed to chase a well-placed ball. Then Ben Kidson added to the score when he took a good line following a good off load from his skipper and Honiton were 10-0 up.

Exmouth bounced back and they then scored

twice but converted both to take the narrow lead. Honiton got back in the driving seat when Harry Wright scored and at the break Honiton were 17-14 up

Honiton continued to apply pressure and a charge down bounced kindly for Connor Long who crossed for another score for the Lacemen.

With tails up Honiton drove the advantage

home and good play all round saw Richy Webber score twice. Back came the Cockles and Honiton were maybe a little quilty of sitting back on their lead

maybe a little guilty of sitting back on their lead and the home took full advantage and scored twice.

Harry Wright steadied the ship when he broke out wide and cantered in a long range try. Exmouth didn't roll over and scored again which meant Honiton had a narrow 37-31 lead which fortunately they managed to keep until the final whistle.

Victory for Cerne Abbas

ON Sunday 21st April 48 pairs arrived at Cloakham Lawns to compete for the Terry Trott Fours Trophy, the maximum number of entries that the Cloakham rinks can accommodate writes Chris Young.

Twent three pairs came from The East Devon leagues, a

further nine from Devon Clubs, North and South, while ten had crossed over from Somerset, six from Dorset. Some were playing for the first time, most were returning - including many previous winners.

There were some large wins during the morning roundrobin games, with experience winning over enthusiasm. The top two or three of each group progressed to the knock-out stage

Traditionally the group winners do not necessarily survive, but this year saw just three runners-up progress over group winners as far as the quarter finals. All four semi-finalists were previous finalists and both finalists were previous winners.

Two "Pairs" reached the quarter finals; for Musbury both the POM Bears and the Trotter Independent Traders each lost out by a single shot while the two Birchfield "Hawaian" pairs also lost.

In the semi-finals Upottery City Farmers and Beer SAS shared the lead, Beer initially ahead, then Upottery until the last end when Beer's single shot tied the match.

In the play-off Beer's one shot settled that tie. In the other semi-final West Hill Caribbeans led after the first end, then dropped behind the Cerne Abbas Gruesome Twosome until they drew level at the sixth end but lost their

momentum and the match 7-5.

June Balbinski and Anna Booth of Cerne Abbas repeated their semi-final performance in the final. 5-2 up after four ends they conceded four shots to Peter Sydenham and Geoff Stone before coming back taking the last two ends with a 9-6 win to regain the pairs title they held three years

Cerne Abbas also regained the Terry Trott trophy; Eugene Balbinski and Keith Buckland had won all their round-robin games and although they did not progress in the knockout phase the six points they gained were sufficient to win the trophy by one point.

SEATON Town U11s went into Thursday evening's match against second-placed Exmouth with their Division 2 title chances still alive, but the team needed to win their last four games of the season.

Seaton had more of the possession in the first-half but Exmouth scored first, Seaton though soon equalised through Reece McCabe to level the score at 1-1 at half-time.

The second-half was very competitive with Exmouth going into the lead twice, but each time Seaton came back at them, both Seaton goals scored by Edward Kenworthy but the game ended 3-3.

This game took its toll on the young Seaton players with two of them limping off the pitch and one going to hospital the next day for an x-ray, so on Saturday Seaton travelled to Tiverton to play Moors Youth with a depleted team and

Club bids to break world record

HONITON could be the home of a new world record next weekend as gymnasts from Honiton Gym Club attempt to break the world record for completing the most number forward rolls in one minute.

The event, on Saturday, May 4th which will also include a further challenge to complete 1,000 backflips in 30 minutes - is being held to help raise funds for gymnasts attending the Geneva International Acrobatics Cup.

"It should be a fun and exciting event." said high performance coach James Reddy. "We're expecting gymnasts, coaches, mum's, dad's, brothers, sisters, friends and even some grandparents to have a go at breaking the world record for forward rolls.

"It currently stands at 69 in 1 minute so we're expecting some dizzy participants at the end of the afternoon.

"We're following strict criteria and videoing everyone that takes part so that we can send the best attempts to Guinness World Records for official verification."

All entrants will pay £1 to enter, and all proceeds will go towards the travel costs of those representing the club in Switzerland at the Geneva International Acrobatics Cup at the end of May.

The challenge is open to anyone, so Honiton Gym Club is encouraging as many people as possible to get in-

In addition to the forward roll chal-

lenge, Honiton's international acrobats will also be taking part in a sponsored backflip event.

As the walking distance from Honiton to Geneva is 1,000 km, the 15 gymnasts will attempt to perform 1,000 backflips in just 30 minutes

"Some of our gymnasts can perform more than 10 backflips in a row, I'm confident that they can complete the challenge, but they'll certainly be tired at the end of it," added James.

"The main thing is that they raise a aood amount of money to help make their trip possible, so I'd encourage as many people as possible to come and support them...and possibly get their names in the record books!'

Among the gymnast gong to Geneva are recent British men's pairs bronze medallists Buster Tutcher and Ashley Wallis, a host of gymnasts that recently competed at the British Championships, and other performers from the club's acrobatics squads.

Anyone wishing to join in the fun and either attempt to break the forward roll world record or watch the sponsored backflip event is welcome to join Honiton's gymnasts in the dance studio at Honiton Leisure Centre on Saturday, May 4th at 1pm.

The event will continue until approximately 3pm.

Vine hat-trick boosts Axminster run-in

AXMINSTER Town bounced back the previous week's embarrassing noshow at Stoke Gabriel to record their first South-West Peninsula League Division One (East) win of the year as Alphington were beaten 4-1 in a clash at Sector Lane on Thursday evening.

Ben Vine was the star of the show with a superb hat-trick and Martyn Hancock chipped-in with the other.

But the Tigers couldn't back this up on Saturday when two goals from Hancock couldn't prevent a 3-2 defeat at Plymstock United.

Axminster, currently lying 11th in the table, were due to make the short trip to Manstone Lane tonight (Tuesday) to take on bottom-of-the-table neighbours Sidmouth Town.

Down in the Devon & Exeter League Seaton Town remain on course for a top five finish after Josh French (2), Mark Hancock, Cameron Vere and Sam Jones scored in a 5-3 win at Exeter University.

But 24 hours later the teams' East Devon Senior cup ambitions were ended by a 3-1 defeat at Newton. Glen Gould netted the consolation goal.

Next up for outgoing manager Josh Stunell's side is Saturday's visit by Morchard Bishop.

At the same time Beer Albion bring the curtain down on a decent season with a trip to Thorverton.

Down in Division One Colyton remain bottom of the table but were far from disgraced as they went down 2-0 at home against title contenders Tiverton Town Reserves on Saturday.

The Tanners travel to Tipton St John tomorrow (Wednesday) before two home games in the space of 48 hours (v Wellington Res on Saturday and Cullompton Res on Monday).

Elsewhere, goals from Charlie Clarke (2) and Asa Sandman saw Axmouth United continue their unbeaten record at Bosshill Cross in 2013 with a 3-0 win over Chumleigh.

The Hammers are due to welcome neighbours Axminster Town Reserves tomorrow and Heavitree SU on Saturday before a trip to University on Monday evening

Seaton Town Res difficult season continued with a 4-1 reverse against Woodbury at Colyford Road on Saturday. The team were due to entertain Exmouth Amateurs last night (Monday).

Over in the Perry Street League Millwey Rise were beaten 3-1 by Perry Street at Harry's Field after Levi Hoole (3), Sam Dibling (2) and Tristan Wakeley had scored the goals in a 6-4 win over Combe Res last Thursday.

Rise were due to face reigning champions Lyme Regis last night before Saturday's visit by Beaminster.

◆ THE dates have been set for Millwey Rise Reserves' two outstanding cup finals.

The Rise second-string will take on Combe A on Monday, May 13th in the Bill Bailey Final at Perry Street.

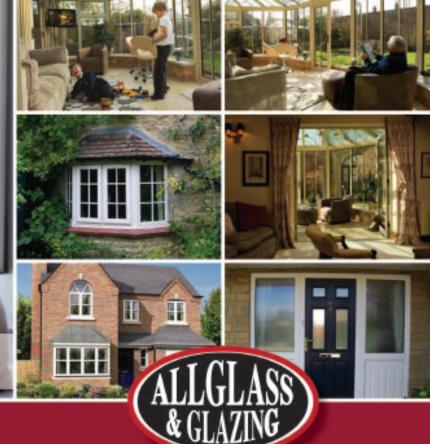

This is followed just three days (Thursday, May 16th) later by the John Fowler cup Final when Simon Flint's team will meet Ilminster Town A at Bridport FC.
